Access your records

Hi Elite Health,

Elite Health Solutions has invited you to access your health records on Patient Fusion. Learn what's in your files, including lab results, medication history, and notes from your doctors.

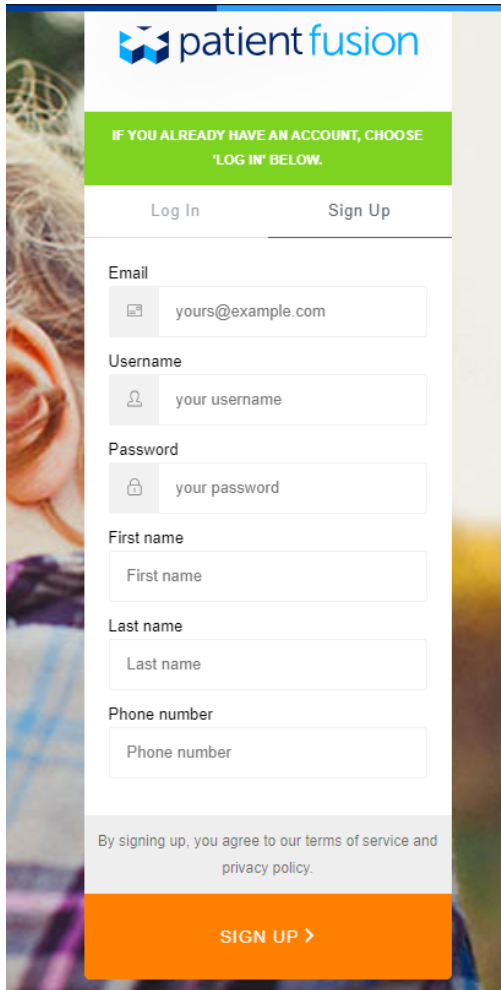

Access your records

Once you create a Patient Fusion account, you can use your Patient Fusion login credentials to authenticate to any third-party application that has registered with Practice Fusion. To learn more about linking your information to other applications, [visit our knowledge base](#).

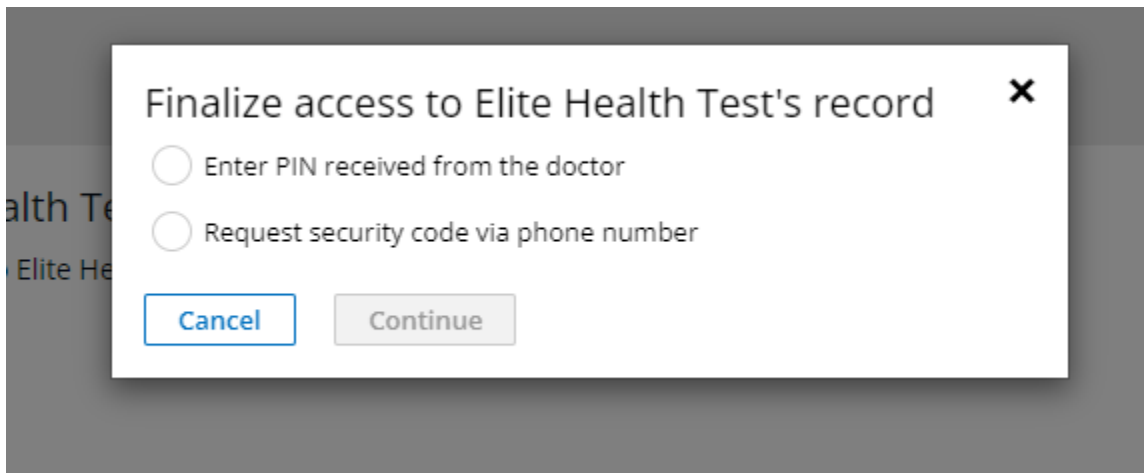

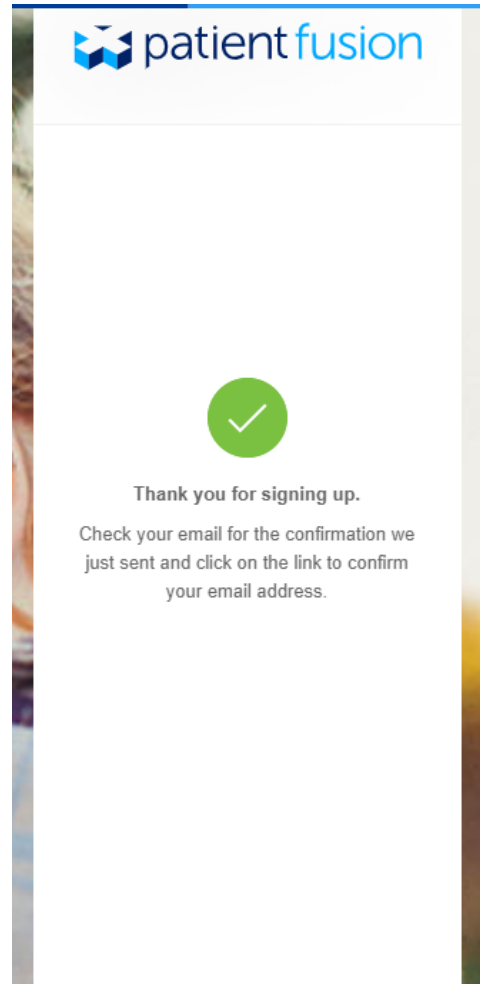

The only thing more important than your health is your peace of mind. Access your health records now.

The Patient Fusion Team

Please be sure to use the phone number used for appointment booking!

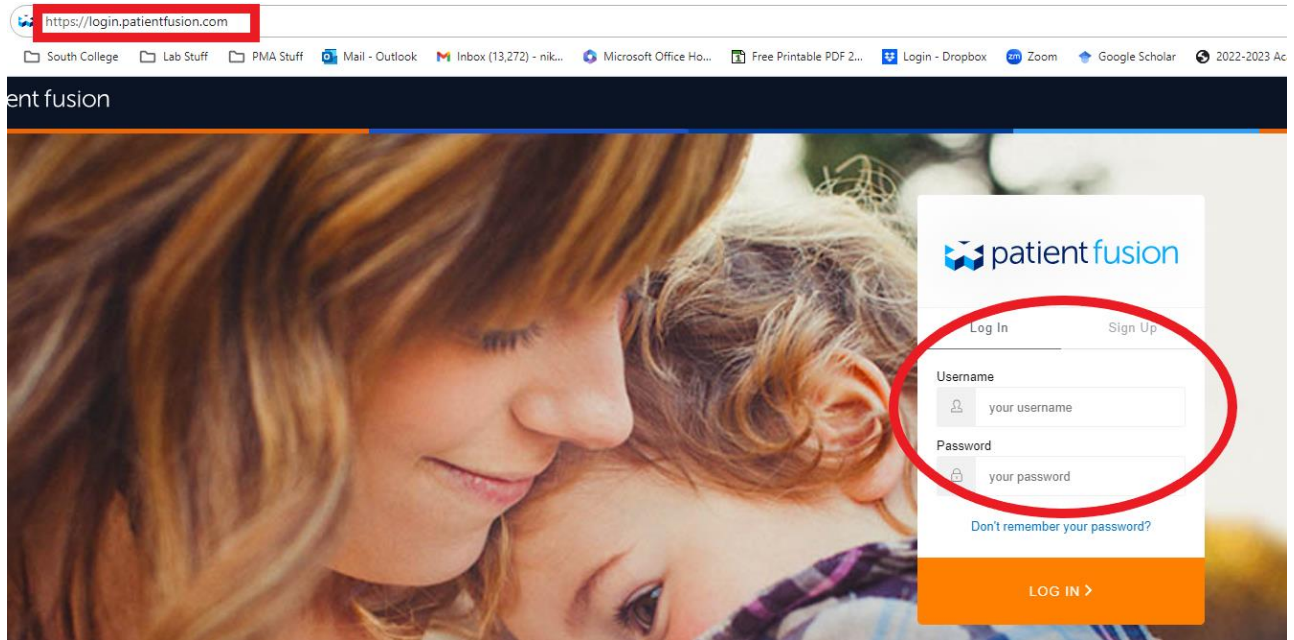

The image shows the Patient Fusion sign-up form. At the top is the Patient Fusion logo. Below it is a green banner with the text "IF YOU ALREADY HAVE AN ACCOUNT, CHOOSE 'LOG IN' BELOW." There are two buttons: "Log In" and "Sign Up". The "Sign Up" button is selected. The form contains several input fields: "Email" (with a placeholder "yours@example.com"), "Username" (with a placeholder "your username"), "Password" (with a placeholder "your password"), "First name", "Last name", and "Phone number". At the bottom, there is a grey box with the text "By signing up, you agree to our terms of service and privacy policy." and a large orange button labeled "SIGN UP >".

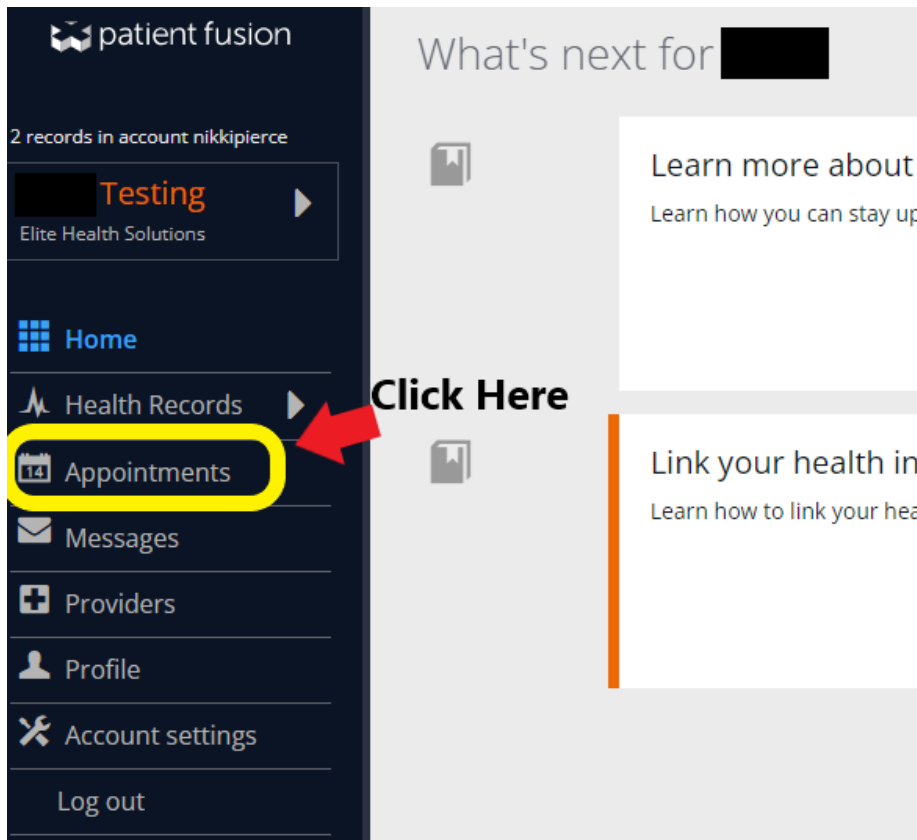

The image shows a dialog box titled "Finalize access to Elite Health Test's record" with a close button (X) in the top right corner. There are two radio button options: "Enter PIN received from the doctor" and "Request security code via phone number". At the bottom are two buttons: "Cancel" and "Continue".

**Log In Directly At: <https://login.patientfusion.com>**
